

2021 STUDENT SCHOLARSHIP

ABOUT

The BC Educators for Digital Learning Provincial Specialist Association is pleased to offer two scholarships of \$500. The scholarship will be awarded to a student graduating with a High School Dogwood or Adult Diploma from a Digital Learning program in British Columbia. This student will be furthering their education after high school by upgrading skills, training for a career or enrolling in an academic program at a post-secondary institution. This opportunity is open to any student that has successfully graduated in 2021 from a British Columbia Digital Learning program. Proof of graduation will be required before the scholarship is awarded.
